December 2017

Happy December! As the first trimester comes to a close, I can assure you that both our teachers and students have been working diligently meeting the standards for their grade level. Our students have been exposed to rich literature and have been falling in love with reading. Each day, I witness students engaged in their “just right” books applying strategies making them better readers. They have been exposed to using the laptop carts to ensure they are PARCC ready. I always say, our kids are digital natives and technology is the way to their hearts. This trimester, you will receive a report card based your child’s progress toward meeting the content and performance standards for his/ her grade level.

Lastly, our music department is preparing our students for the Holiday Show. We look forward to seeing you there!

Wishing you a Happy December, Joyful Holidays, and a pleasant Winter Break!
