November 2017

## GIVING THANKS...

November is one of my favorite months of the year. The temperature is finally where it is cold in the morning and beautiful during the day. The fall colors are in full swing. And the holidays that are focused on family and gratitude and caring are upon us. We have much to be grateful for here at Washington Elementary School. We have a wonderful, caring staff from our custodian, our Paraprofessionals, our office staff, to all of our teachers. I am grateful every day for the opportunity to work with all of them and I know your children are in good hands with them. We have supportive parents and community, with a giving and engaged PTA at the forefront, to which we all say thank you for all that you do. And finally, we have incredible students, who challenge themselves every day to learn and be engaged as well as challenging us to become better people. They are why we are here every day!
