## OFF TO A GREAT START...

We are off to a great start! Thank you for all of your support during the first month of school. Teachers have established quality routines and procedures to ensure the safety and education of our students.

I would like to take this opportunity to thank the parents and teachers for a very successful Back to School Night. 78% students were represented that night which shows how vested our parents are in their child's education. Attending events such as Back to School Night is a great starting place for getting to know the teacher. Now that you have done that, be a team player. You and the teacher have the same goal: for the student to succeed. Finally, stay in touch. Tell the teacher about any changes in your child's life. Together, we will partner to ensure your child is successful in school.

Our Character Education program is off and running. We will have many theme days this month that show we demonstrate good character and make good choices. Teachers will contact you if your child is chosen to receive an award for consistently demonstrating Respect. Later this month we will focus on anti-bullying and celebrate Red Ribbon Week. Please talk to your children about doing the right thing and treat everyone with respect. If you have any comments or concerns, remember my door is always open!
