March 2018

One of our goals this year was to make sure that our students develop a love for reading. Reading is the key to gaining a larger vocabulary and more knowledge. Reading lets us learn new things and takes us to new places. I urge you to encourage your child to read especially as we embark on Read Across America day!

It's never too cold, too wet or too hot  
To pick up a book And share what you've got.  
You're never too old, too wacky or wild  
To pick up a book  
And read to a child.  
In churches and chambers  
Let's gather around  
Let's pick up a book  
Let's pass it around  
There are children around you  
Children in need  
Of someone who'll hug  
Someone who'll read
