September 2018

## Welcome Back!

September is here and we look forward to another great start to the school year. As always, our dedicated staff is eager to help your children reach new levels of success. We, at Washington Elementary School, value collaboration with parents and the community here in Little Ferry. Your questions, comments, and ideas are always welcomed as we look to continually improving and evolving with the world around us. We want and encourage our parents to stay in the know about their child's studies, assignments, assessments, and school activities, as well as other events and happenings. It is our desire to keep you informed of all that is taking place at school. Up-to-date and additional information will be posted to our website on an on-going basis. Together we can build a strong educational foundation for every student.

We are all very excited with the possibilities this year holds and can't wait to watch our students grow. We are grateful that we are surrounded by a positive and supportive community and truly appreciate everything you do to help make our students successful.

## Save the Date!

Wednesday, October 31st- Halloween Parade @ 2:00pm. All elementary students will participate in a parade in front of Memorial School. In the event of an inclement weather, this parade will be held in the Memorial School Gym.
